1. Parents must, to be eligible to vote, have a child registered at the school on the date of the election.
2. Each parent has as many votes as there are candidates to be elected. Parents may, if they wish, cast fewer votes than the number of seats to be filled.
3. Do not cast more votes than there are seats to fill. If you do it will not be possible to count any of your votes. If you give more than one vote to a candidate only one vote will count for that candidate.
