Dear Parent/Carer

With just one week remaining before the GCSE examinations start, it is important that we maintain our support and encouragement for all Y11 students. We remain very pleased with the level of commitment from the students and the progress they are making towards their GCSEs. Thank you also for your ongoing support at this critical time.

During the exam period, as you already know, lessons will continue to run as normal; these lessons will focus on exam technique and preparation. Students should use these lessons to ensure they feel confident in every aspect of their exams. It is crucial that they ensure they are clear on every aspect of the exams they will be taking. Once exams are completed, the subject lessons will become supervised study time when students can revise for remaining exams. There will also be bespoke revision sessions for most subjects just before the exam (timetable attached). All students will be expected to attend these sessions.

Thank you again for your continued support and as always should you have any questions at all please do not hesitate to contact us.

Wishing you and all students the very best for the exam period!

Yours sincerely

**Emma Robins**  
Deputy Headteacher
